Lisa:

Althea Foster called me. Althea explained that I do my own TA and Timber just does the funding portion. She explained how to handle the Concur question I had. I have added the expenses to my TA and left a call for Timber to do her portion. I wanted you to know where things stood. It seems we have the usual response confusion. I don't know what is really correct but just needed this taken care of.

Thank you for your efforts toward finding a resolution.
